

Cove in Bloom

Children from P7 Charleston School and P5A Loirston School planted 1,000 daffodils and 1,000 crocuses with the Cove in Bloom Team.

Large clumps of daffodil bulbs were put in the grass outside the school, parallel to the path running along Charleston Road.

P5A Loirston School planted crocus corms in a grass area at the junction of Earn's Heugh Road and Loirston Avenue.

The work put in by the children will add to the spring colour of previous plantings for us all to enjoy.
