

# CHRISTMAS CONCERT

**On Sunday 5th December we had the annual Community Council Christmas Concert in Loirston Primary School to help raise funds for the Christmas Tree and street light decorations that we have each year in our community.**

Elizabeth Bostock, Sue Rae and myself came together once again to arrange an hour of entertainment by our local youth groups and schools. The performances of singing, dancing and all round entertainment were a roaring success.

There was a variety of prizes for the raffle, all donated by local businesses and lots of help from the community. Top prize in the raffle, a £30 Voucher from the Cove Bay Hotel, was won by Pam Scott. We need to thank Sue Rae and Elizabeth Bostock for all their hard work both before and during the evening, Neil Stewart for his technical help and June Swan for her musical expertise along with Jim Henderson and John Lyon. And a big thank you to all the performers and their Leaders.

Santa found time in his busy schedule

to pay us a visit and even came up to the tree with Dylan Connell, Charleston School and Yasmin Wilson of Loirston Primary to switch on the Christmas Tree Lights. A big thanks also goes to the Gala Committee who provided some much needed mulled wine and stollen while we sang carols.

Thanks to all who came along and supported the event which raised £420. This will go towards next year's Christmas Tree and Lights fund.

We would like to thank all those listed below who donated raffle prizes.
