

**Aberdeen Football Club proposed 21,000 seater stadium at Loch of Loirston**

**Cove and Altens Community Council** has carried out a straw poll on our residents' view on the proposal to locate AFC's new Stadium at the Loch of Loirston.

Results of the survey are as follows:-

**Written response** of Cove residents 57 against and 2 for gives **97% against**.

**Through our website:-**

Cove residents - 145 against and 11 for gives **97% against**.

Nigg residents - 31 against and nil for gives **100% against**.

Other North East residents - 109 against and 1 for gives **99% against**.

**Sample street poll of residents** - 44 against and 15 for gives **75% against**.

There is obviously a very strong opposition to the proposed location at Loirston Loch.

**Stadium Survey** Thanks to all who answered our survey. 95% of you were opposed to the stadium being built at Loirston. Regrettably this was dismissed as insignificant as out of the population of Cove and Altens and Nigg, approximately 10,000, less than 300 responded.
